SUMMARY

- Developed responsive web applications using ReactJS and JavaScript, following component-based architecture and optimizing for performance and user experience.
- Utilized modern styling tools like Tailwind CSS and managed version control through Git and GitHub for efficient collaboration.

SKILLS

• ReactJs • Tailwind CSS • HTML5 • CSS3 • JavaScript • NodeJs • ExpressJs • REST APIs • JWT auth • MongoDB
• MySQL • Git • Postman • Problem Solving • Team Collaboration

PROJECT EXPERIENCE

Online Blog Writing & Editing Platform

- Built a full-stack blog platform with create, edit, and view functionalities using React and Appwrite.
- Integrated TinyMCE for rich-text editing and added a theme toggle to enhance usability and accessibility.
- Implemented secure authentication protocols with Appwrite for efficient user management and created an AI-powered search tool to boost content discovery and user interaction.

Online Healthcare management system

- Contributed to the creation of an innovative healthcare platform featuring role-specific dashboards tailored for administrators and medical professionals.
- Engineered dynamic React-based frontend dashboards to enhance user experience and streamline data management.
- Implemented robust backend functionalities for appointment scheduling and patient record management, incorporating Razorpay for secure and efficient online payment processing.

Tourism platform

- Developed an innovative tourism platform that links users to local guides, homestays, and unique experiences in Uttarakhand.
- Created a fully responsive frontend with a user-friendly interface, enhancing accessibility and boosting user engagement.
- Integrated JWT authentication and essential booking functionalities, optimizing the user login and reservation experience.

CERTIFICATIONS AND TRAINING

Full Stack Web Developer Certification, issued by Udemy in [May, 2025].

Covered frontend (HTML, CSS, JavaScript, React) and backend (Node.js, Express, MongoDB) development.

EDUCATION

Master of Computer Applications (MCA)

📅 Jul 2023 - Jul 2025

Uttarakhand technical university 📍 Uttarakhand, India

Coursework - DBMS, Operating Systems (OS), Computer Networks (CN), Web Technologies (WT)

LANGUAGES

English, Hindi
