GAURAV CHANDRA NAINWAL

Entry-Level Full Stack Web Developer

gauravnainwal394@gmail.com • +91 9084481518 • Nainital, Uttarakhand, India • linkedin.com/in/gauravcn

SUMMARY

- Entry-level Full Stack Web Developer with experience in building responsive web applications and dashboards through academic and personal projects.
- Practical experience in frontend design, backend logic, authentication, APIs, and deployment, with strong problem-solving, communication, and teamwork skills.

SKILLS

Frontend: React, JavaScript, HTML5, CSS3, Tailwind CSS, Redux

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MySQL

Tools: Git, GitHub, Postman

PROJECT EXPERIENCE

Tourism platform ⬈

- Built a multi-dashboard system for **users, homestay owners, guides, and admin** with tailored access and role-based controls.
- Implemented **JWT authentication**, **Geoapify-powered search**, along with **pagination and lazy loading** for better security and performance.
- Created a responsive UI that improved navigation and made the booking process more efficient.

Online Blog Writing & Editing Platform ⬈

- Built a full-stack platform with **create, edit, view, and draft features**, along with a structured **dashboard** for managing posts.
- Integrated **TinyMCE for rich-text editing**, implemented **search with filtering**, and added **comment and like sections** to increase post engagement.
- Implemented secure authentication and **email verification** with Appwrite, ensuring reliable user management and account security.

Online Healthcare management system ⬈

- Collaborated on building a healthcare platform by developing **doctor scheduling features**, integrating **Razorpay** for online payments, and contributing to backend functionality.
- Created parts of the **frontend UI** and dashboards to support administrators and medical professionals in managing appointments and records.
